GOOD RESULTS FROM ADVERTISING

How a Yazoo City Merchant Keeps Away Dull Times.

results therefrom. In reply Mr. Summerfield wrote the following letter, at the same time sending the paper a copy of the Herald of May 2, containing his "special sale" of that date.

In his letter Mr. Summerfield said: "I am sending you an advertisement following : which will give you an idea of how I advertised a "Special Sale" for May 5 and 6. This proved a hig success, in fact, the result was better than I expected. You will notice in the wording I selected for the sale ad, that the neople attending this sale would find everything as advertised, and that I positively do no fake adversal. J. M. Kelly.

3. Obligations of each Church member of the sale and that I positively do no fake adversal. J. M. Kelly.

"For this sale I had several extra salespeople and we all were kept busy nearly people and we all were kept busy nearly people and the time. The ad was in both leading papers, The Yazzo Sentinel and Herald. I also had 1,000 circular well distributed in town by my (colored) porter and stock clerk.

In the Master's work: 11-30, 12-30; W. W. Dennie, Coody, C. L. Lewis.

4—Our Mission Boards—Could we better their methods? W. J. Derrick, C. E. Welch, R. A. Cohran.

"A day before the sale starts I get ready to have all the goods which are advertised well displayed on counters and tables. Have attractive signs with prices placed on the different goods and change the entire looks of the store. All goods in the house are sold on those two days at reduced prices, according to my instructions, whether advertised or not. The profits on the goods are of course smaller, than usual, but no goods are of course smaller, than usual, but no goods are sold at a loss, as I den't approve of giving baits to the public.

quested to Meet Here Next Year.

At a conference meeting of our church ed to the Baptists of the State to hold their annual convention in 1903 with our their sides. church. There are many reasons why we desire the meeting of the convention. First, such a meeting would do our church at this place great good. We need the inspiration of such a meeting. Second, this convention has never met in this section of the State. Third, it would bring a large number of representative Saptists in touch with the great Delta. Fourth, we really desire the convention for its spiritual blessings (not commercial). We can take care of it and will do our best to maky the meeting a blessing to all who
